FOOT BALL.

The Trinity Hall College eleven, of Washington, Pa., will play the Linsly Institute team to-morrow afternoon at Institute team to-morrow atternoon at the Island ball park. The game begins at 2:45 p. m. There is no doubt it will be an interesting struggle, and the management will do the right thing if sees that the gridiron is staked off, so as to ensure spectators a good view of the play, and thus overcome the complaint made of the Linsly-High School game.

Franklin-College, which will line up against Wheeling Saturday, is in the lightweight register, and to make the game full of excitement Captain "Bob" Edwards will put in his light team. In view of the fact that the boys deserve a liberal patronage, on account of losses suffered financially up to date, those desirous of boosting the game in this city are urged to turn out in-force.

There is a general desire to see the Washington team play Wheeling again. The Pennsylvanians claim they can defeat Wheeling on a dry field, and say they are willing to wager money they can. The chance may be offered them

BOXING.

The sporting editor of the Intelligen-cer has been selected as stakeholder for the approaching Eddie Gardner-Mike Tanney contest at the Drovers' Home A. C., and last night the \$50 forfeit for the weight and appearance of Tanney was received from his manager, Charles Bennett, of Pittsburgh. This contest will occur on November 25, and the lads are scheduled to weigh 125 pounds.

"Billy" Corcoran last night received a telegram from Oscar Gardner offering "Jack" McClelland a \$500 guarantee to meet "Jack" Hamilton before the Metropolitan A. C., Wheeling, November 28. As McClelland is scheduled to meet "Tommy" White in this vicinity on November 27 the Wheeling date will have to be changed. McClelland will accept the Hamilton offer if a suitable date can be arranged.—Pittsburgh Times.

Mile Record Reduced. CHICAGO, Nov. 15.—The mile blcycle record was reduced to 1:19 to-day at Gardield Park by Major Taylor, the colored rider. This clips two seconds off the former world's record, which was based by Eddle McDuffee. Taylor was based by Eddle McDuffee. Taylor was based by a motor cycle fitted up with wind spield attachmets. The weather was ideal for the performance, the air being perfectly calm. Taylor could have made better time had his motor base faster, as he kept calling on them to "go ahead" the entire distance. Near the finish he dropped the pace and finished in a spurt ahead of the machine. L. A. W. officials were present at the trial, and the record will be allowed. CHICAGO, Nov. 15 .- The mile bloycle

Morrow's Kid-ne-olds, the scientific kidney remedy and backache cure, is daily gaining favor in Wheelins. No medicine has ever been sold in Wheeling for kidney aliments, backache, nervousness, sleeplessness and general debility, that has gained such popular favor as Morrow's Kid-ne-olds. Charles R. Goetze reports most excellent results from people who have used Kidne-olds and says "I will recommend them."

We give you the experience of Mr. John Snider, who lives at No. 2334 Chapline street, and says: "I was troubled with severe aching pains across the small of my back for some time, and was generally run down: I had no life or ambition, felt listess all the time and had no appetite. I read where Morrow's Kid-ne-olds would cure such cases and would build up the system generally, and as Charles R. Goetze, the druggist, guaranteed them to do just as recommended or refund the money, I obtained some from him and took them according to directions, and they cured me entirely in a very short time."

Now if Morrow's Kid-ne-olds will do so much for Mr. Snider, why not try it for yourself if annoyed with nervousness, sleeplessness and any form of kidney disorders? Kid-ne-olds cost only fifty cents per box and save many bodily aches and pains. They are not pills, but Yellow Tablets, which is the most scientific form of preparing medicine. Kid-ne-olds are put up in wooden boxes which contain enough for about two weeks' treatment and can be procured at Charles R.
